These ranch appraisals represent individual appraisals for individual clients and are not part of a mass appraisal assignment for a pipe line, transmission line, water line, etc.

Also, Robert V. Hicks, MAI has appraised many land/ranch properties less than 100 acres as well.

Therefore, Robert V. Hicks, MAI is very familiar with farm & ranch / land type properties with a large amount of experience appraising these types of properties as well as having a strong agricultural background and taught Vocational Agriculture in High School for over 3 years in Ozona, Texas.

Robert V. Hicks, MAI has considerable family history located in south Texas with Wilson County being named after his great, great grandfather, James Charles Wilson. Mr. Hicks is involved with his family ranch in Bandera County near Medina, Texas and is a fourth generation owner as the ranch has been under his family ownership since 1907.
